### CHICK TRACTS GET AROUND

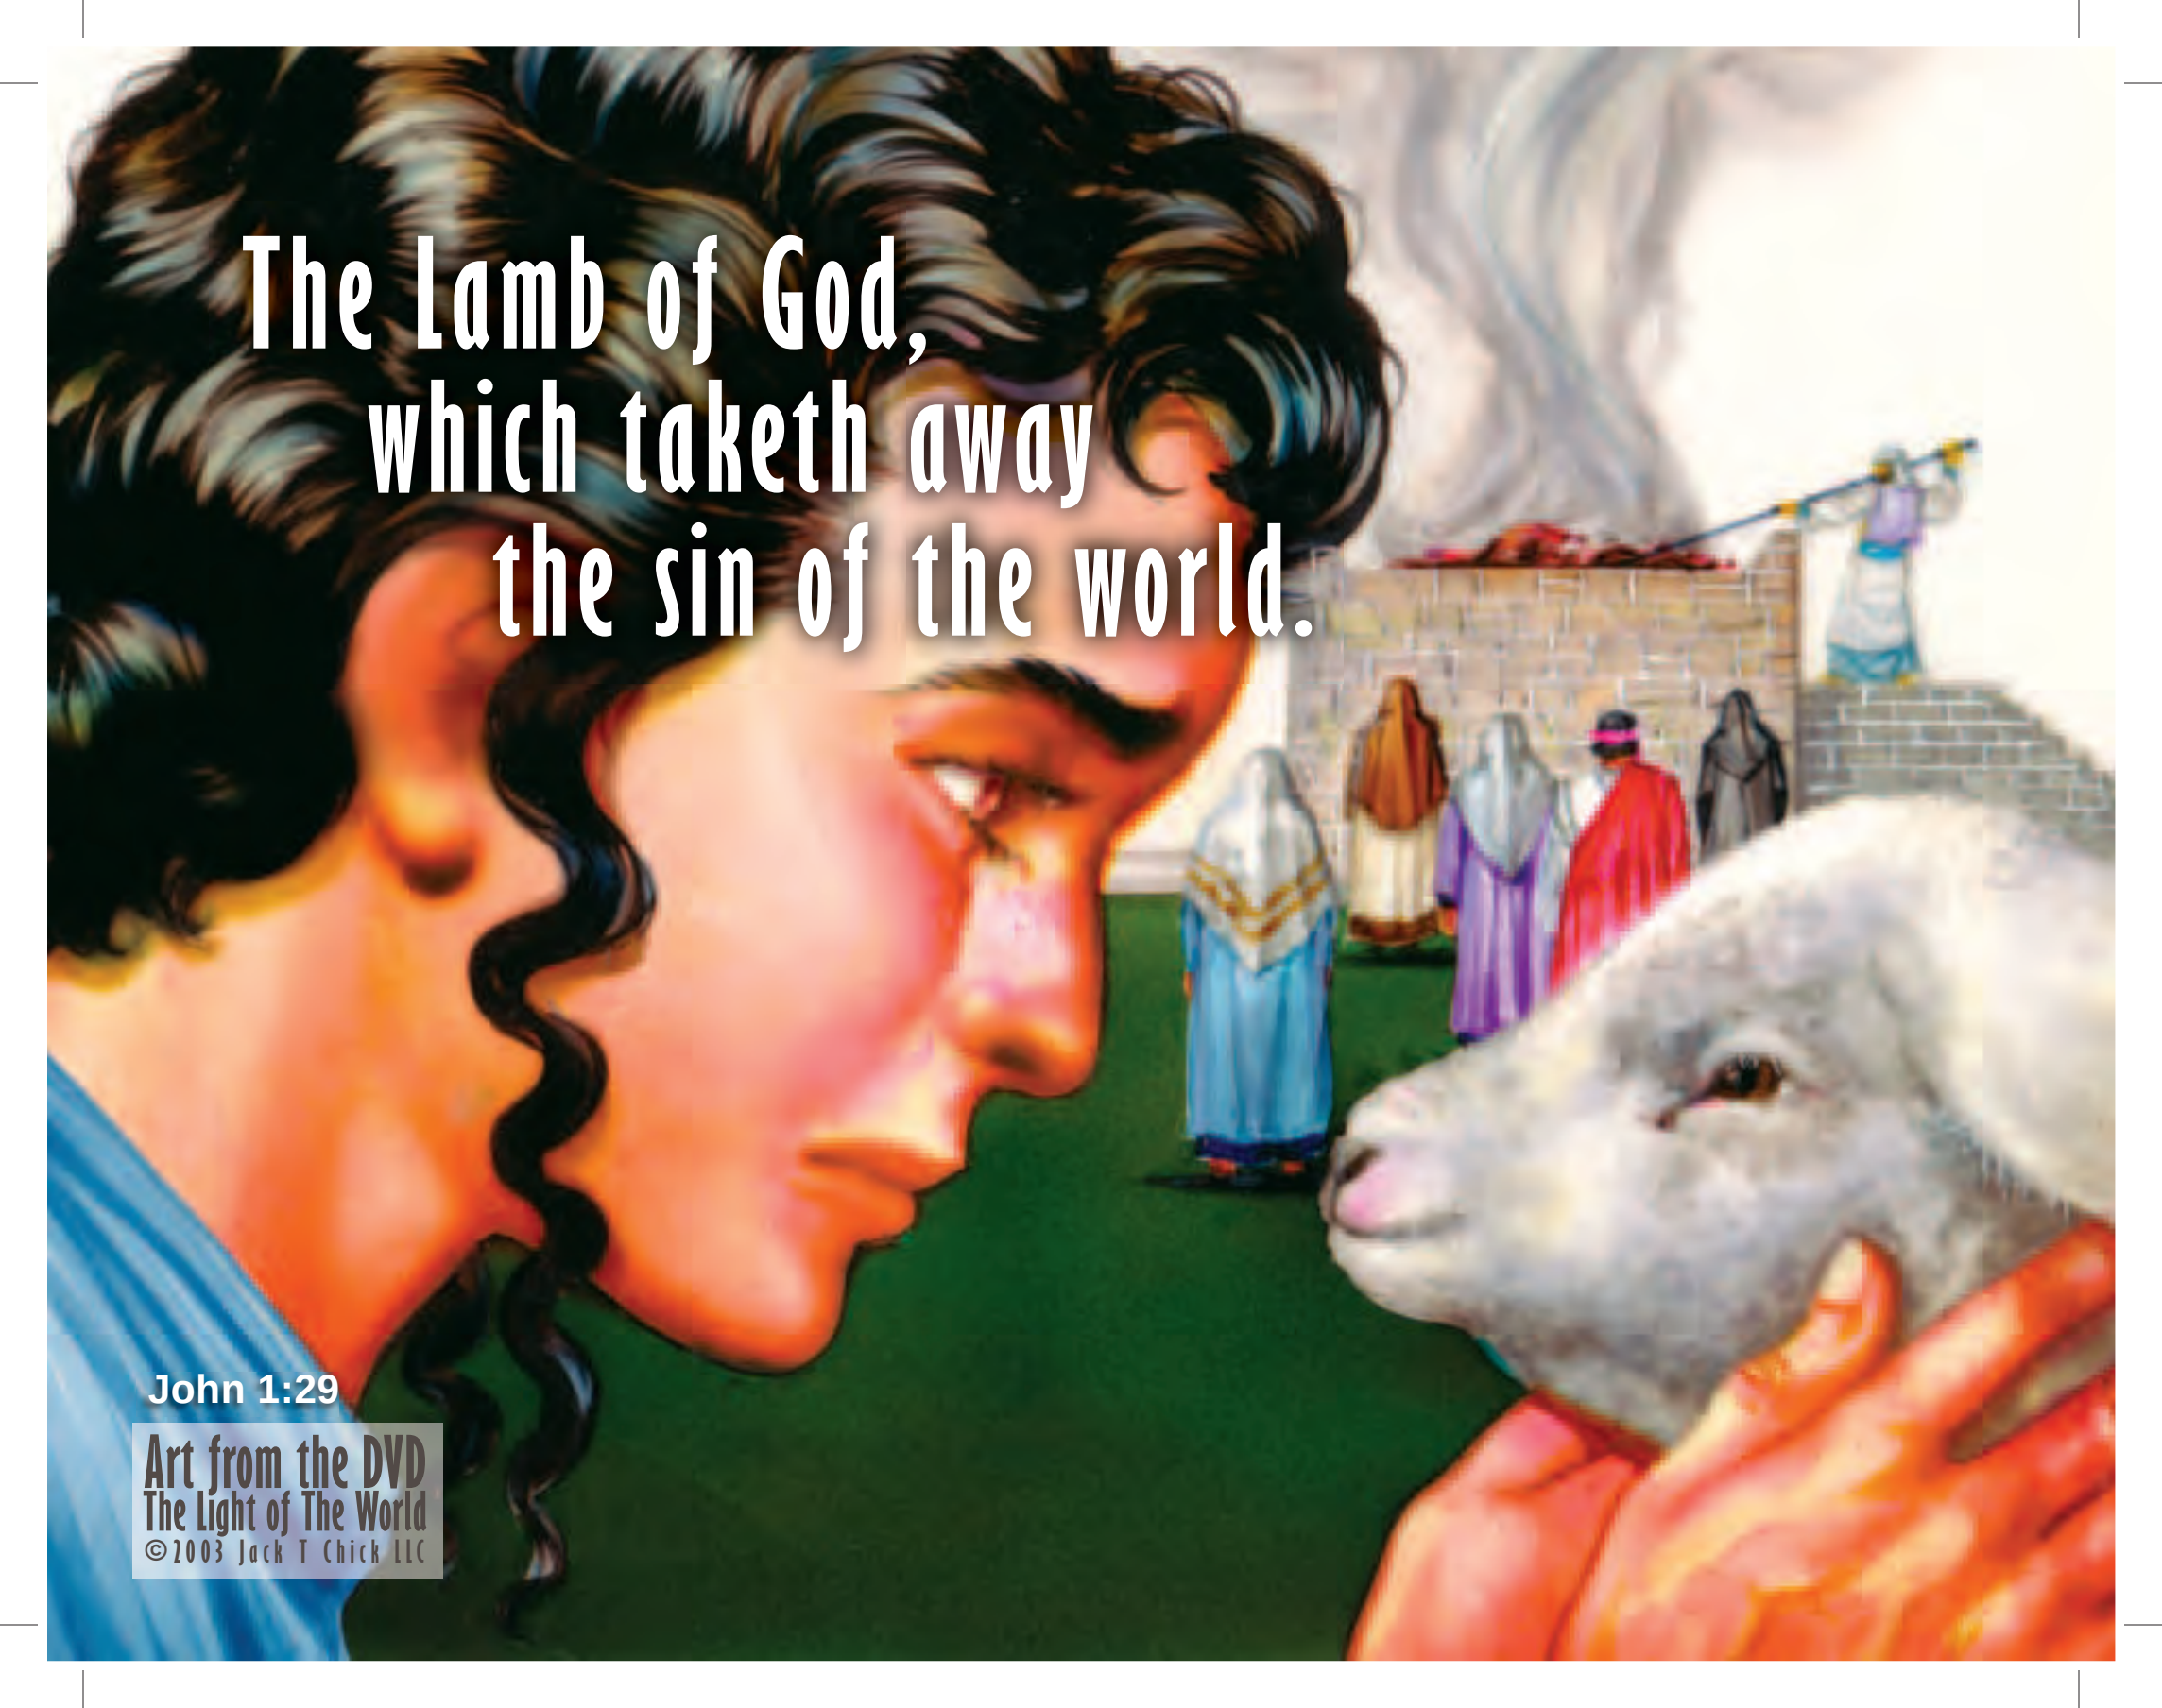

"I left a THIS WAS YOUR LIFE at a restaurant in New Mexico with my name and address on the back. In a few weeks I got a letter from a boy in Alabama saying he'd gotten saved through the tract and asking for more. Praise the Lord."

Ask people, "How's your heart?"

Then give them

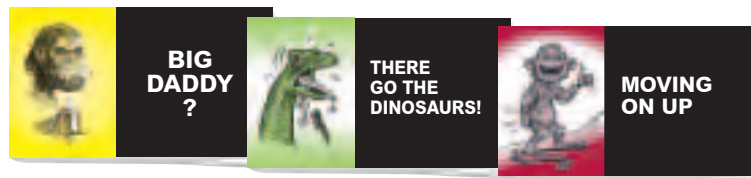

The Lamb of God,  
which taketh away  
the sin of the world.

*My grandpa told me he would accept Christ when I came to visit him. But he died before I got there. Thank God someone left a Chick tract on his door-knob. He read it and got saved just before he died.*

A dramatic, dark illustration of a church at night. The church has a steeple with a cross. In the foreground, there is a graveyard with several tombstones. Five bright, vertical beams of golden light rise from the graves, extending towards the sky. The sky is dark with some clouds and a few wisps of smoke or mist. The overall mood is mysterious and spiritual.

The dead in Christ shall rise first ...  
to meet the Lord in the air.

Stock up now. Thousands of people will be  
sitting around waiting for the fireworks...  
a great opportunity to give them the gospel.

A religious illustration of Jesus Christ standing on a cloud, holding a set of keys in his right hand. A large, vibrant rainbow arches over him against a background of dark, dramatic clouds. The scene is illuminated by a bright, divine light emanating from behind Jesus.

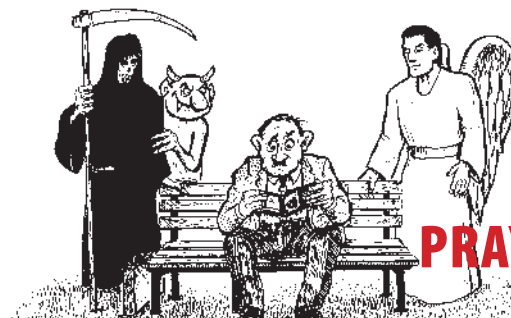

I am he that liveth, and was dead; and,  
behold, I am alive for evermore, Amen;  
and have the keys of hell and of death.

Rev. 1:18

A man in a blue denim shirt and jeans is standing inside a phone booth. He is holding and reading a small tract. The phone booth has a red sign at the top that says "PHONE" in yellow letters. The background is a dark, wooded area at night with a full moon.

JACK CHICK

*Dear Beloved in Christ,*

*I pray that the gorgeous paintings in this calendar, taken from our film "The Light of The World," will bless and encourage you all through the year 2009.*

*I also pray that this calendar will motivate you to pass out three Chick tracts every day.*

*While calendars with pictures of horses and bridges are fine, this one will gently remind you each morning that nothing is more important than giving the gospel to the lost.*

*Please hang it someplace where you will see it each day. Maybe you could use it at work to open up some witnessing opportunities.*

*In 2009, let's fulfill Christ's Great Commission every day. God bless you!*

*Your brother in Christ,*

*Jack*
